## OUTDOOR LIVING

*ENDLESS POSSIBILITIES*

It's that time of year when we all want to spend more time outdoors

Are you planning a new outdoor project or remodeling an existing space? Let our team help with the best selection of outdoor products on the market including decking, railing, lighting, masonry, and more.

Outdoor Living adds value to your home whether you are buying, selling, or enjoying your dream home.

At Jennings Builders Supply we provide quality products for all budgets.

In addition to our sales staff, we also have an outdoor product specialist who is committed to helping our customers meet their outdoor living goals through product selection, pricing, and availability.

We encourage you to stop by any of our locations in Western North Carolina or reach out to our Outdoor Living Specialist to start planning your project today!
